

Metropolitan Human Resources is an energetic and compassionate company started with the ambition for people to live confidently and independently in the comfort of their homes. We accept as true that everyone deserves care and support that aligns with their beliefs, wishes, and values. When you are going through various health and housing hardships, it can be an extremely challenging time for everyone. We make it feasible for individuals and families to live their life by utilizing our personalized care and wide range of services.

Mission

Our mission is to create communities that are healthy and have access to supportive resources that facilitate successful transition, encouraging independence, promoting healthy family stability, and enhancing self-reliance.

Vision

We envision a world where every soul has supportive services, access to housing support, health, and world where everyone has equal opportunities for self-sufficiency.

Our Housing Stabilization Services is comprised of Three unique processes:

Housing Consultation helps you plan for housing based on your wants and needs.
Services: waiver case manager, targeted case manager or senior care coordinator

Housing Transition helps you plan for, find and move to housing of your own in the community

Housing sustaining pays for supports and services to help you keep your housing in the community

Our Core Values

Listen

We go all-out to LISTEN and learn how we can do better at creating a happy and caring experience.

Inspire

We pursue to deliver services that will INSPIRE and motivate those we serve to live their lives in ways they deserve

Friendship

We value the health benefits of FRIENDSHIP along with 100% support for creating a compassionate environment to ease the prospect of happy engagements

Empower

We EMPOWER those we care to make decisions that enable them to determine the will of the outcomes.
